## GIVE PLANS FOR 6-WK. SUMMER SESSION HERE FOR H. S. PUPILS

Complete plans were announced today for a six-week summer school session at the Gettysburg High School with classes to be held five mornings a week and with courses to offer credits toward graduation. It is the first regular summer school to be conducted in the local school for many years, although a typing class was given last summer.

Under the direction of John T. Held, mathematics teacher at the high school, the school will open Monday, June 15, and will close on Friday, July 24. Class hours will be from 8 a.m. to 12:15 p.m. Monday through Friday.

All courses passed satisfactorily will carry one full credit toward graduation.

### Open To HS Students

The school will be open to any high school student residing in Adams County who meets requirements. Today's announcement said that no student may register to "repeat" a subject unless he has written approval of his classroom teacher and/or the guidance counselor or principal of the school in which the student is regularly enrolled.

Registration for the school and payment of fees will take place on Friday and Saturday, June 12 and 13, in Room 215 of the high school building. No pupil will be admitted to class until all fees are paid.

One hundred per cent attendance will be required and absences may be excused only for "valid reasons" by the director of the school.

### Tuition Is \$40

A \$5 registration fee will be required. This will be returned to each student completing the course providing all instructional materials that are the property of the school district are returned in good condition.

A tuition fee of \$40 will be charged. It will not be refunded even though pupils drop the course. Each student also will have to pay for any books, supplies.

## NEW TAX BILL IS SIGNED BY GOV. LAWRENCE

HARRISBURG (AP)—A 3½ per cent state sales tax, one of the highest in the nation, became law in Pennsylvania today.

Retail purchases in the Commonwealth are subject to the new rate immediately.

Some confusion is expected because of the short notice on the expiration of the old 3 per cent rate.

Gov. Lawrence signed the 163-million-dollar sales tax boost into law in a matter of hours after the Senate completed action on it during a post-midnight session. He also signed a companion measure boosting the 3 per cent hotel occupancy tax to 3½ per cent, effective immediately.

The governor and the lawmakers moved quickly to insure the immediate flow of \$250,000 a day in sales tax dollars into the state treasury.

### Senate Vote Close

The Senate vote was 26-23. Twenty-one Democrats were joined by five Republicans in approving the bill that had received prior House passage Monday night. The same lineup also brought about passage of an increase in the 3 per cent hotel occupancy tax to 3½ per cent.

GOP help was needed because Senate Democrats are in the minority. Republicans voting for the measures were Sens. James S. Berger, floor leader; Albert R. Pechan (Armstrong), Robert D. Fleming (Allegheny), Edward J. Kessler (Lancaster), and Thomas A. Ehrgood (Lebanon).

The only Democrat who didn't vote for the measure was absent. Sen. Paul Mahady (D-Westmoreland) is in Switzerland attending a Lions International convention.

### Tax Extended

Besides increasing the rate, the legislation extends the sales tax for the first time to electric and telephone bills, repair and service charges, such as auto washes, and utility maintenance equipment and tools.

The 3½ per cent also applies to restaurant meals costing 11 cents or more. Previously, restaurant checks of less than 50 cents were exempt.

The Sales Tax Bureau already

## OFFICERS OF EXCHANGE CLUB ARE INSTALLED

### (See Photo On Page 3)

Philip Neth, 312 E. Middle St., was installed as president of the Exchange Club Tuesday evening at the Hotel Gettysburg, at a ladies' night program. Other officers installed were: Crosby Hartzell, vice president; David Rutters, secretary; Alexis Chritzman, treasurer; Ralph Will, John Codori, Harvey White, Carroll Smith, Ernest Dulany, members of the board of control. District Governor John J. Slenz, a member of the local club, installed the officers.

Retiring President Donald Joseph was presented with a past president's pin by Slenz. Joseph then turned the bell and gavel over to Neth.

### Slenz Speaks

District Governor Slenz told the 50 members and guests present, "These are strenuous and trying times that you and I are living in. It is a period when we find ourselves in a continuous struggle to keep abreast or even a little ahead of our neighbor.

This effort to keep ahead of the Joneses has gotten a lot of us to the point where we have lost sight of some of the great American ideals. Charity has lost a lot of the humbleness that used to be associated with it. It has been so commercialized to such an extent that all of the sweetness has been squeezed out."

Slenz said that brotherly love, an ideal that is advocated by all faiths, is a great ideal, "but is rapidly losing this greatness because we as a nation are forgetting how to use it."

"The Exchange Club covenant of service in part states: We will consecrate our efforts to implant the life of giving society a spirit of comradeship and service in all our social and business relations."

Neth announced next Tuesday's meeting will be held at the Plaza Restaurant, Lincoln Square.

## Fraternity Will Hold Derby Day

Sigma Chi fraternity at Gettysburg College will sponsor its "first annual" Derby Day Saturday, April 25, at 2 p.m. The event, to be held on the campus Stine Hall quadrangle, features competition among the six national sororities.

Ten contests, ranging from a beauty judging to a pie throwing contest, make up the affair. A trophy will be awarded the sorority winning the most points.

Derby Day originated 20 years ago at the University of Tennessee.

## DELONE SENIOR RECIPIENT OF SCHOLARSHIP

Richard Restak, Delone Catholic High School Senior and son of Dr. and Mrs. Lewis Restak, Hanover, has received a full scholarship to Seton Hall University, South Orange, N. J., as the result of a competitive examination in which many students from New Jersey's and New York's prep schools also participated.

School and college ability tests are being administered to Juniors this week. The merit scholarship test will also be administered to all Juniors Tuesday, April 28, from 9 a.m. to noon. Freshmen and Sophomores have been included in the new test program at Delone this year. On April 6, the Otis Gamma test was administered to all Sophomores. In addition, many Freshmen and Sophomores have registered for the new national education development testing program.

### Guide To Progress

This new program has numerous guidance values for the student and his parents, as well as for teachers and counselors. Because the test is similar to the national merit scholarship qualifying test, students can note their progress from year to year. Major features of the test are its guidance values for participating stu-

## VISITING DAY IS JUNE 27 AT COUNTY HOME

June 27 was set Tuesday by the Auxiliary of the Adams County Home as the date for the annual Visitation Day.

Meeting at the home, the auxiliary members learned from Mrs. Charles Kuhn, the general chairman for the Visitation Day, that committees for the various events will be named in the near future and discussed ideas to make this year's event the biggest held so far. The Rev. Dr. Henry W. Stern, president, presided.

At the Visitation Day booths will be set up for sale of articles by which funds are raised to provide extras for the guests at the home. In addition one booth is filled with articles made by the guests themselves. Money raised by sales from that table goes to guests making the articles and for many is the only money they receive in the course of a year.

### Plan Blossom Tour

A group of dolls and puppets made by Mrs. Mark Stock and Mrs. Ward Eason to be sold at the Visitation Day were displayed.

Preliminary plans were made for the annual Apple Blossom tour for the guests of the service unit of Adams County, Keller held that "a vital principle of the service fund is that, being created from gifts to transients, was named welfare secretary.

## Says Financial Support For County Library Below Pa. Average; Needs Are Cited

The Adams County Free Library is greatly concerned about its limitations on service to the public and the librarian, Mrs. Mary S. Wilson, called attention today to library needs and the attention being given libraries throughout the nation this week, National Library Week.

Adams County has one of the 29 county libraries in Pennsylvania and it is open to any resident of the county from six years of age through the retirement years. One thing that the library administration is seriously concerned about is that it can't have the library open more hours a day and more days a week. It can't offer direct service to county residents in rural communities. It can't buy the variety of books and reference materials it needs for both adults and children. It can't hire the additional staff that would be required to implement these services. Why? Because its funds would not stretch. We hope this

## ARCHERS TO MEET

The Gettysburg Archers will meet this evening at 7:30 o'clock at the VFW home, E. Middle St. Sunday an archery shoot will be held with registration from 12:30 to 1:30 o'clock.

## FOUR SERVICE AWARDS GIVEN HERE BY "SA"

Four "Awards of Appreciation for Services Over the Years" were presented by the Salvation Army Tuesday evening at a meeting of the Gettysburg Service Unit of the Salvation Army at the Farm Bureau building, N. Washington St.

Roland W. Keller, service extension director, Philadelphia, presented the framed certificates of appreciation to The Gettysburg Times and WGET and to G. Marion Stambaugh and John W. Hewitt.

Kenneth E. Phillips, conductor and director, is a senior who recently started the college dance band and presented a jazz concert last fall. Phillips hopes that he can show the band's versatility from "Bach To Bop."

Admission tickets are 50 cents until Friday. After that date tickets will be 90 cents. The public is invited.

Stambaugh's award covered his services as chairman since the establishment of the local unit. He was renamed chairman at the annual meeting Tuesday night. Hewitt has served as treasurer of the group since its establishment. He also was re-elected Tuesday. The awards to the newspaper and radio station were for promotion of tivSeha an Armitoy tohuhg publicity. They were accepted by G. Henry Roth of The Gettysburg Times news staff.

Re-elected directors of the service unit Tuesday were Mrs. Robert Snyder, Nicholas A. Meligakis, Attorney Charles W. Wolf, Mrs. Roy Hammond, Miss Ellen Miller and George Coshun.

### Choose Other Officers

The third Tuesday in January at 7:30 p.m. in the Farm Bureau was set as the date for the next annual meeting.

Dr. Lloyd C. Keefauver was elected secretary of the unit and Chief of Police Jack Bartlett, who usually is called upon to approve giving of night's lodging or meals to transients, was named welfare secretary.

Reports at the meeting showed 560 persons were aided by the local service unit during the last year, at a cost of \$725.

Speaking of the current drive for funds by the various Salvation Army service units of Adams County, Keller held that "a vital principle of the service fund is that, being created from gifts to transients, was named welfare secretary.

## Leaders Prepare For Camporee In May

Camporee preparations were advanced Tuesday evening at a Black Walnut district leaders' round table conducted at St. James Lutheran Church with Boy Scout Troop 79 at the hosts.

Senior Patrol Leader Robert Hahn and Troop Charles Hahn of Troop 84 of Littlestown showed how to prepare and pack a pack rack. The district manager for the May camporee was distributed and it was emphasized that each troop will be expected to have a gateway entrance for its area at the camporee.

Each unit is to present in advance a copy of the skit it will present for the camporee campfire program.

Tuesday evening's session was the best attended so far of the round tables held to date. The next will be in Bonneaville with the Catholic War Vets as hosts. The date has not been announced.

Alfred Bashore, assistant district commissioner, was in charge.

## Booth Identifications Are Recalled 84 Years After Death Of Lincoln

FORT WAYNE, Ind., April 15 — If there is any mystery associated with the death of John Wilkes Booth, it relates to the strange methods which intelligent men have pursued to perpetuate the myth that Abraham Lincoln's assassin was never apprehended.

This statement was made here today by Dr. R. Gerald McMurtry, director of The Lincoln National Life Foundation, in recalling the facts surrounding the death of Lincoln 84 years ago today.

A native of Berks County and a Phi Beta Kappa graduate of Northwestern University, he began his teaching career at W. and J. College in 1948 after receiving the Doctor of Philosophy degree at Ohio State University.

As a physician with the U. S. Naval Ordnance Laboratory during World War II he was engaged in research relating to the influence of the earth's magnetic field upon naval mines and mine sweepers. He is secretary of the Pennsylvania Section of the American Association of Physics Teachers.

## ARCHERS TO MEET

The Gettysburg Archers will meet this evening at 7:30 o'clock at the VFW home, E. Middle St. Sunday an archery shoot will be held with registration from 12:30 to 1:30 o'clock.

## Mount Band Will Present Concert

The Mt. St. Mary's College Band, Emmitsburg, will present its eighth annual Spring Concert April 23 in Memorial Gymnasium, on the campus, at 8:30 p.m. The program will include works of famous composers and show tunes. An added feature will be a dedication to John Philip Sousa.

## BIGLERVILLE TO AMEND LAW ON SIDEWALKS

Biglerville's sidewalk ordinance is in for some revision. Tuesday night the borough council instructed its ordinance committee and counsel, Donald M. Swope, to study the present law and report at the May meeting with a suggested new ordinance.

Generally, the change proposed will make more flexible the requirements for sidewalks. Council will control the specifications. The present measure stipulates a fixed width, six feet. It is planned to allow variations with walks as narrow as four feet.

### To Pave Alleys

Council studied plans and specifications proposed for the paving of two alleys, No. 1 and No. 7, ordered several changes and decided to advertise for bids for the work, to be opened at the May 12 meeting.

The property committee was authorized to replace a fire hydrant on E. York St., which had been found to be defective.

Council also ordered the installation of two new street lights, at the corners of Diane Ave. and Ridge St. and Diane Ave. and High St.

General fund receipts were \$139.50 and bills, \$380.94. Receipt of \$1,077.84 from the state liquid fuels tax was reported. This last money is earmarked for highway work.

R. Dale Guise, president conducted the meeting attended by Councilmen F. W. Weigle, M. L. Ditzler, William Lerew, George Eckenrode and Ralph G. Taylor; Burgess John E. Thomas; Earl Ecker, borough secretary; Attorney Swope; William Herman and John C. Brown.

## NEWEST LOOK IN GAS RANGE IS PRESENTED

The newest look in "quality gas ranges" was unveiled Tuesday evening at a campaign meeting for appliance dealers and gas company officials. Merchants from Adams and Franklin Counties were guests of Manufacturers Light and Heat Co. at a dinner meeting at the Howard Johnson restaurant.

They previewed a \$30 million national promotion to present Gold Star Award Ranges, a joint effort of appliance manufacturers whose 1959 range models "meet advanced design specifications" of the American Gas Association.

The new gas ranges stress such automatic features as oven burners, lights, "burners-with-a-brain," clocks and oven-ready controls.

"We hope to establish the Gold Star symbol as a buying guide for modern homemakers seeking the finest cooking appliances, money can buy," said Harold Miller, Manufacturers dealer representative.

Over 35 gas appliance proprietors, managers and salesmen heard Manufacturers business promotion official, Joseph Jacobs, outline the campaign with a movie and several displays.

Miller reported the gas range drive will use newspapers, television, magazines, billboards and display advertising to promote the Gold Star seal of approval.

The following representatives from Adams County attended: Vernon Reaver, Robert Stoner, William Anthony and Clarence Krichten, Littlestown; Stanley Wolf and Paul Miller, Two Taverns; Eugene Weishaar, Charles Hemler and Charles Robie, Gettysburg; Lynn Slothrop, John Gruber and Frank Kunkel, East Berlin, and James Hay Jr., Guernsey.

## Three Vehicles In Collision Near York

Two automobiles and a truck were damaged in a collision Monday on the Susquehanna Expressway 11 miles north of York. One driver was injured.

State Trooper Frederick W. Bainbridge said Robert E. Griffith, 24, Lewisberry, suffered a lacerated face and bruised ribs, but was not immediately treated.

The three vehicles were proceeding northwardly on the expressway when the Griffith car rammed the rear of a tractor-trailer driven by John A. Neiderer, 48, Littlestown R. 2, and figured in a collision with the automobile of Allen L. Gilbert, 42, Levittown, which was passing, police said. Total damage was estimated at \$1,475.

### TREATED AT HOSPITAL

Miss Viola Hollen, 20, 117 Carlisle St., was treated at the Warner Hospital Tuesday for a laceration of the right eyebrow sustained when eyeglasses shattered when she bumped her head.

Fred Shaffer, 26, New Oxford R. 2, an employee of the Oxford Container Co., received treatment Tuesday for a laceration and partial severed tendon of the left thumb suffered while using a drill press.

Mexico has a population of about 20 million.

the Salvation Army, it is annually expandable.**Doing Good Job Here**

Because "need knows no locality," only 20 per cent of the funds raised in any locality are retained by the local service unit, the other 80 per cent going into the national Salvation Army. "This makes possible a great reservoir of funds where needed. Last year we poured into several disaster areas more money than will be raised in years. This way the money is available for all needs."

The money also helps support homes and hospitals, social service centers, national field services, fresh air camps, mobile canteens, service to the armed forces, children's homes, boys' clubs, nurseries and other activities of the Salvation Army.

Holding that the local service unit has "done a good job of caring for transients," Keller urged "more local care, including clothing and shoes for school children, dental care, fuel orders, eye examinations, medical care of an emergency nature. You can help in any case of need, and believe me there are more cases of need than you know. The people who most need help often are the ones who would be the last to ask it. You can seek them out and help them."

One facet of Salvation Army service unit assistance which was freely given in the past will not be so freely distributed in the future, Keller said. Persons who were stranded formerly could contact the local service unit and receive transportation to another city or community. Keller said recent laws enacted in some states have made this "a dangerous procedure. Now we can be held responsible for the care of indigent persons if they arrive in those areas and are in need." In the future all requests for transportation must be cleared with the committee on transportation, he said.

leaders and workers in civic, business and cultural affairs," Mrs. Wilson said. The steering committee has listed six aims in publicizing National Library Week, aims that have received the strong endorsement of Adams County Library and all libraries.

"I, we want to remind Americans what the printed word means to free men in a free society. We want to stimulate more Americans to open their minds. We want to reveal to Americans some of the treasures which are theirs for the reaching.

**Opening The Door**

"2. We intend to work for this through a week-long program which has already enlisted the imagination of librarians, publishers, book sellers, authors, teachers, clergymen plus thousands of men and women who simply love and respect reading.

"3. We are planning nationwide activities in newspapers, and magazines, on radio and television, in libraries, bookstores, churches, community centers to make both concrete and dramatic the wonderful world of print.

"4. We want to heighten the national interest in reading, and shorten the step from curiosity to conduct by encouraging people to visit a library bookshop or newsstand. That step may be short, but it can lead to new frontiers for millions.

"5. The reading habits of a nation cannot be changed overnight or in one week. What we can do is open a door for many who do not know it is there, or who do not know what tantalizing rooms lie beyond.

"6. We are certain that the Founding Fathers were right in their conviction that the future of this country hinges on the enlightenment of its citizens, for though his own knowledge and action, each man helps to guide the direction of the nation."

**State Is 32nd**

"For Pennsylvanians, National Library Week should have an added significance. The Pennsylvania Library Survey, recently completed, points out the deficiencies in our library system," Mrs. Wilson said. "Our state ranks 32nd in support of its public libraries, a sad commentary for a commonwealth that saw their beginning within its boundaries. Where other nearby states have a per capita support of around \$2.50, Pennsylvania has 83 cents. Excluding Philadelphia and Pittsburgh, the figure is 43 cents. Adams County is 41 cents. But even at this low figure, the residents of Adams County are fortunate in one respect. They do have a library, whereas there are over two million Pennsylvanians with

no library service whatever.

"In March, the Library Development Plan, an outgrowth of the Pennsylvania Library Survey, was presented at the governor's conference of public library trustees in Harrisburg. It has been endorsed by that conference, by the Public Library Development Committee, appointed by Governor Leader and retained by Governor Lawrence, and by the Pennsylvania Library Association. At that conference, Governor Lawrence asked that at least two million dollars be included in the budget for implementing this plan. This would provide state aid to public libraries at the rate of 25 cents per capita if local effort was made to raise sufficient funds to be eligible for this aid.

**Need \$10,000 More Here**

"Local funds will be determined by the market value of the property in the area served and based on one-fourth mill of that market value. To continue to be eligible for state aid, the one-fourth mill should be raised to reach a total of a half mill within a five-year period. Based on market value figures, Adams County must raise initially \$26,000 to qualify for state aid. This represents an increase of \$19,000 over present county income.

These funds can be raised from any source, but direct tax revenue is the only logical continuing source."

**Littlestown****MEN TO SERVE ANNUAL DINNER**

The Men's Brotherhood of St. John's Lutheran Church made plans to serve the annual mother and daughter banquet, at the April meeting of the Brotherhood held on Monday evening at the church. The banquet will be served on Monday, May 11, in the church social hall. The pastor, the Rev. William C. Karns, who presided in the absence of the president and announced the appointment of the following committees: Purchasing, Edgar A. Weller, Paul E. King and Edgar E. Yealy; kitchen, U. Ray Study, Raymond Reinaman, Noah C. Streig, Fred W. King and Oliver Brumard; dining room, Kenneth Bortner and Harvey White, also a member of the board, was absent.

The devotions were led by Al-Bert Starner, and prayer was offered by Pastor Karns. The business concluded with group prayer. Slide pictures of outdoor life were shown by Mr. Starner. Refreshments were served by Earl Brumard, Kenneth Bortner and James U. Bowers. The next meeting of the brotherhood will be a brief business session following the banquet on May 11.

Louise Groft was leader at the meeting of the Luther League of St. John's Church on Sunday evening, and led the discussion of the topic "What Do You Know?" The evening prayer was offered by Pastor Karns. Tentative plans were made to have a guest speaker at the meeting on Sunday, April 26, when the topic for discussion will be "Applying Christianity in the Business World"; also, tentative plans for an outdoor social on Sunday, May 17. Jerry Hall will be leader for the regular meeting on Sunday at 6 p.m.

**Film For Lions**

A sound film entitled "Jonah and the Highway" will be shown at the second April dinner meeting of the Littlestown Lions Club on Thursday at 7 p.m. in the social hall of St. John's Lutheran Church. The film is released by the U. S. Steel Company and it relates to us the improvements that can be made in our highway system as well as an aid to help certain young persons select engineering as a profession. The program is in charge of the sight and conservation committee, comprising W. C. Karns, chairman, Elmer W. Gall and W. R. Jones. Members are reminded to make reservations to attend the following events: Spring Zone Meeting in the VFW Home at East Berlin on Tuesday, April 28, and tickets are \$2.50; May 24, 25 and 26, state convention in Pittsburgh; June 30, July 1-3, Lions International convention in New York City.

**THE PROMISE OF HOPE**  
 I have read that when hope is lost all is lost. I came across this sentence by Balzac, the famous French writer. He said: "Hope is the better half of courage. Hope has it not sustained the world, and given the fainting heart time and patience to outweigh the chances and changes of life?"

All of us need this hope to guide us through the dark days of life, and then to lead us into the light. Let us manfully accept our lot and make no complaint. Hope within the heart may well direct us through any emergency that suddenly crosses our path.

Watts, the painter, once did the portrait of a woman on a rock in the sea, with her arms about it, and he titled this painting with the single word — Hope.

All hope is clothed for a contest. For so long as there is hope there is the chance of victory over any unexpected defeat. Hope and pray is a good motto. Both hope and prayer are essential to a happy voyage on the rough seas of life itself. Without hope we can have no vision to urge us on and up. Again I quote from Balzac. He said: "The word which God has written on the brow of every man — is Hope."

Let us continually hope for better things and cultivate every means to achieve them gloriously. By giving hope to others we gain access to the rich treasures far beyond the hills, and deep within the good earth. Hope is what led the pioneers through all the struggles and sacrifices that finally opened up the promised lands and victories and gave to us the hope of empires within the folds of freedom.

**Just Folks****THE PESSIONIST**

I see to me that some folks here

Are mighty difficult to please.

For instance, when the spring is here

And buds are bursting on the trees

And skies above are getting blue,

And all the woods are full of song,

Some fellows still go mopping through

The world protestin' things are wrong.

They seem to think the world should be

Conducted just for them alone;

And all that they can ever see is what pertains unto their own.

There can't be charms in buddin' trees

If they view things contrariwise;

If they can't stop to take their ease,

The whole world must be full of sighs.

Now when I feel the spring is night

And see the green leaves comin' back,

And hear the crows that caw and cry,

And see the old earth stretch and crack—

Just like a fellow does when he is waking up, I've got to smile.

I have my troubles, too, but geel I plumb forgot them for awhile.

**ASK ACTION ON ABBOTTSTOWN FIRE CO. PLAN**

A special meeting of the Abbottstown Fire Co. has been scheduled for next Tuesday for consideration of a list of 17 recommendations for changes to the company's building, particularly that portion that fronts on Lincolnway East.

The recommendations stem from several meetings of the house committee and were presented earlier this month at a regular meeting which was so poorly attended that it was decided to hold a special meeting with notice of the recommendations to all members who are being urged to attend so that action may be taken on the long-pending project of renovating the front room of the fire hall.

The committee recommendations for the front room project are that the company: Remove entire heating and plumbing systems, remove entire floor and backfill entire basement, remove sheet metal ceiling and side walls, remove front and side windows and main entrance doors, replace floor with new four-inch concrete slab, possibly four inches lower than existing floor, construct storage room near stairway to the second floor, construct new men's and women's toilet rooms, replace existing plumbing fixtures, install entire new ceiling lighting system, level ceiling frame and finish with some kind of fiberboard, close front and side window areas with brick and wood frames, install new entrance door, install heating system, do all necessary incidental work and painting, cover entire floor with asphalt tile, build a gang toilet at rear of rear social room and reroof entire front room.

**East Berlin Ambulance**

Officers of the Ambulance Club of East Berlin were present at the company's meeting last week requesting help in getting members for their ambulance club. It was suggested that persons living in Abbottstown, by paying the \$2 per family annual membership, may have free ambulance service within 50 miles. A charge of 20 cents per mile is made for trips beyond the 50-mile limit.

George M. Wildasin was named general chairman of the annual carnival which is to be held July 17-18. A nominating committee was named to report at the company's regular meeting May with the election scheduled for June.

**Two New Members**

James Leib and Jack Leib, sons of President A. D. Leib, were admitted to membership. Resignations of Fire Police Capt. Earl Haverstick and Lt. Norman Miller were received and accepted. The fire police were requested to recommend successors.

The fire chief reported on the proposed county monitor radio system and said that he will appear at the borough council meeting Wednesday to seek financial help for the system, half the cost of which will be paid by the Civil Defense agency. He also reported four fire calls during the past month.

Horner Hafer presented a check for \$500 from the Ladies Auxiliary, to be used for the front room remodeling project. Other receipts were \$27 and bills paid, \$96.

Mrs. Duncan, convicted of hiring the slaying of her son's bride, is also under death sentence.

**CHERRY SPRAY HINTS GIVEN ORCHARDISTS**

The first in a series of sour cherry spray information letters was mailed this week by County Agent Frank S. Zettle to growers in the county. The letter concerns pre-blossom spray.

Zettle said, "Leaf spot caused extensive defoliation following harvest in many sour cherry orchards in 1958. Should another warm, wet season occur this year, leaf spot could become serious. In some orchards, brown rot and blossom blight were common and were followed by rats at harvest.

Where this situation exists, dichlorone should be used. Where leaf spot is the only problem bordeaux may be satisfactory.

"Good spray coverage on both sides of leaves and on the flower buds is a must if leaf spot and brown rot are to be stopped. The time to begin spraying is when the first blossoms open."

Use either of the following formulas in each 100 gallons of water:

Captain 50 per cent WP, 2 pounds dilute or six pounds concentrate; Dichlorone 50 per cent WP, ½ pound dilute or one pound concentrate; or copper sulfate, one and one-half pounds dilute or three pounds concentrate, the former mixed with fresh spray lime, three pounds dilute or six pounds concentrate.

Zettle cautions against applying bordeaux during wet, cold weather.

This spray may cause injuries under these conditions. Also, he cautions, do not contaminate streams, ponds, or water supplies with spray materials.

Zettle prepared the spray letter in consultation with O. D. Burke and J. O. Pepper, of Pennsylvania State University.

**FIDEL CASTRO ARRIVES IN D.C. THIS EVENING**

WASHINGTON (AP) — Cuba's Prime Minister Fidel Castro will arrive tonight for what promises to be a stormy 11-day unofficial visit to the United States.

State Department security agents and Washington police have arranged to give him one of the tightest protective rings ever given a foreign visitor.

Castro, accompanied by a heavy guard of bearded revolutionary protectors, will fly in with a party of about 35 persons in a private plane.

Castro may be trying to get across the idea that unless at least some of his demands are met, there is grave danger of war.

The initiative for war obviously is not in the hands of the democracies, which seems to have resigned themselves to the idea that if war comes, the other side must attack first.

**Receive Some Threats**

A number of threats, warning that Castro will never leave the country alive, have alarmed authorities. Demonstrations and picketing are expected during his five-day stay in the capital and a similar visit in New York.

But his visit apparently will be a hit attraction. The National Press Club said the 505 seats for its luncheon next Monday honoring Castro were sold out in less than an hour.

The American Society of Newspaper Editors, at whose invitation Castro arranged the visit, prepared for a capacity crowd for the Friday meeting he will address.

Castro is hoping his visit will improve Cuba's relations with the United States and Canada. He has volunteered to answer questions about some of the points on which his regime has been criticized.

Castro will meet with Acting Secretary of State Christian Herter Thursday at a luncheon, and with Vice President Richard M. Nixon Sunday night at Nixon's home. He has no plans for formal talks with top U.S. government officials.

## CARDS LEAVE BUCS WITHOUT WIN THIS YEAR

By ED WILKS

**Associated Press Sports Writer**  
The St. Louis Cardinals finally won one for new manager Solly Hemus. That leaves Pittsburgh's Pirates as the National League's only winless club.

Hemus, making the shift from utility infielder to skipper, put Stan Musial back on first base Tuesday night at Los Angeles after the Cards had lost their first three games at home. Stan the Man (1-for-15) was hitless, but his replacement in left field, Chuck Essegian, paid off with a run-scoring double in a 6-2 decision over the Dodgers.

In the other NL night game, ex-Buc Bob Purkey became the season's first two-game winner by taking his fifth in a row from Pittsburgh in a 3-2 victory at Cincinnati. That left the Pirates, with an 0-4 record.

**Braves Win In 10**

Milwaukee's champion Braves (3-0) became the lone unbeaten club in the NL with a 10-inning, 4-3 victory over Philadelphia. The Chicago Cubs spilled San Francisco to a first defeat 5-2.

Right-hander Lindy McDaniel, the elder half of the Cards bonus brothers who went sour last year, gave up seven hits, walked but one and had the Dodgers shut out for seven innings. It was his first victory and complete game since beating the Dodgers at Los Angeles last June 30. Southpaw Johnny Podres, who had an 11-4 record at the Coliseum last season, was the loser. An error, Essegian's double and Hal Smith's two-run homer wrapped it up for the Cards in a three-run sixth. Gil Hodges homered for the Dodgers in the ninth.

With crippled Roy Campanella on hand, the Dodgers drew 61,552 for their home opener. That's a single night game record in the NL.

Purkey, the right-hander who went to the Reds from Pittsburgh two winters ago, followed up his opening day decision over the Pirates with a seven-hit performance that included five strikeouts and a lone walk. George Witt, who had won seven straight and hadn't allowed the Reds a run in two previous decisions as a rookie, was tagged for a solo homer by Vada Pinson and a two-run shot by Ed Bailey.

Mickey Vernon and Johnny O'Brien, an unlikely winning pair for the Braves, were just that after the Phils had taken a 3-2 lead over Warren Spahn on Wally Post's two-run pinch triple in the ninth at Milwaukee. Vernon, acquired from Cleveland last weekend, singled home the tying run in the ninth. O'Brien, the former Phil, then provided the payoff in the 10th, joining Hank Aaron and Wes Covington in a string of consecutive singles off losing reliever Dick Farrell.

Ernie Banks, last year's major league leader in home runs and runs batted in, broke loose for his first homers of the season for the Cubs, ripping Jack Sanford for a pair of two-run shots at San Francisco. Dave Hillman was the winner, although Don Elston had to get the final out. Felipe Alou homered for San Francisco's runs in the second inning.

## BEARS TO HAVE GO AT CHAMPS

BUFFALO, N.Y. (AP) — Hershey, a tough road-team this season, opens its defense of the Calder Cup championship in the American Hockey League tonight.

The Bears take on Buffalo, the league champions, in the best-of-seven final playoffs. The Bisons are out to win their first Calder Cup since 1946.

Hershey won three of its four semifinal playoff victories on Cleveland ice and was unusually successful on the road, where hockey teams are traditionally losers.

All three of the Bears victories at Buffalo were shutouts by goalie Bobby Perreault and they came in a row. Hershey finished fourth in the regular season.

If the Bears win the Calder Cup this year, they will be only the third team in AHL history to win two in a row. Buffalo did it in 1943-44 and Cleveland 1953-54.

Buffalo disposed of Rochester 4-1 in the semifinal. Hershey needed all seven games to edge out Cleveland 4-3.

The two teams play tonight and Saturday here and then move to Hershey next Wednesday.

## Bullet Riflemen Defeat Delaware

The Gettysburg College rifle team defeated the University of Delaware 1,386 to 1,303 here Saturday. Myers of Gettysburg was high man with a score of 266.

Scoring follows:

Gettysburg — Myers, 266; Laird, 230; Kollhoff, 274; Bear, 273; McElroy, 273 — total 1,386;

Delaware — Taber, 279; Anderson, 265; Rosenwald, 265; Richards, 263; Harrison, 241 — total 1,303.

## Pa. Trout Season Opens At 5 A.M.

HARRISBURG (AP) — The Pennsylvania trout season opened at 5 a.m. today with Fish Commission officials predicting a banner year from the standpoint of numbers and size of fish caught.

The season will run through mid-night Sept. 7.

Fish Commission officials said the turnout for the opening week was expected to be one of the largest in the state's history.

They said the streams stocking program of the last year will provide anglers with more opportunity to catch their limits and larger fish than ever before in Pennsylvania.

## HERB SCORE LOOKS GOOD AGAINST A'S

By ED WILKS

**Associated Press Sports Writer**

From the looks of things, this at last could be the year Herb Score comes back.

The young left-hander, shackled by injury since he won 20 as a sophomore with the Cleveland Indians in 1956, looked like the Score of old as he pulled off a quick turn-around in his second appearance of the season Tuesday.

After a brief, frustrating relief attempt in the opener at Kansas City last week, Score flashed his fireball with steady control for an 8-1 victory over Detroit's winless Tigers, keeping the Indians on an unbeaten pace with the Chicago White Sox and New York Yankees in the American League race.

The White Sox, with southpaw Billy Pierce pitching the AL's first shutout of the season, made it four straight in their home opener with a 2-0 victory over Kansas City. The Yankees (2-0) walloped the Orioles 13-3 at Baltimore. Boston won its first in a 7-3 decision over Washington in the Red Sox home opener.

## ODD-BALL ZOO IS DESCRIBED TO SCIENTISTS

By FRANK CAREY

Associated Press Service Writer

ATLANTIC CITY, N.J. (AP)—

A bit of scientific treasure—"thirstless dogs"—was reported from Ft. Knox, Ky., today.

They were part of an odd-ball menagerie described in various reports to the 43rd annual meeting of the Federation of American Societies for Experimental Biology.

Also listed were thirsty monkeys trained to get orange juice by pressing levers and puppies and pigs with hardening of the arteries.

**Ironic Switch**

The pigs exemplified an ironic switch. Healthy enough while eating their regular garbage of animal food, they developed atherosclerosis after some scientists fed them a human diet for six months.

Three researchers of the Army's Medical Research Laboratory at Ft. Knox reported they had achieved "selective and permanent elimination of water drinking" in a group of dogs by surgically removing an area of their brains.

They termed this a significant breakthrough in the quest for the detailed mechanics of "how the urge to drink water is engendered in animals and men."

**Loss Interest In Water**

The Army team offered no views on how this knowledge might be applied to man's benefit. Presumably the finding might stimulate further research to determine if some nonsurgical means might be employed to check the thirst urge temporarily in castaways at sea or in men lost in desert areas.

The scientists said the brain area removed is called the perichiasm area—a mothball-sized structure located at the base of the brain and lying directly back of the eyes.

"Subsequent to the surgical removal of the area," they said, "dogs never again show any interest in water. Yet they remain fully oriented mentally and eat solid and liquid food normally."

DETROIT (AP) — A man who said "my wife splurged for Easter, now it's my turn" spent 45 minutes choosing shirts, ties and other apparel in a store Tuesday.

Then he turned a gun on the clerk, took \$75 from the cash register and fled with both the money and the clothing.

## Last Gas Lamp In Phila. Turned Off

PHILADELPHIA (AP) — This historic city's gas lamp era becomes a memory today.

The last lamp maintained by the city burned its final hours during the night. Mayor Richardson Dilworth officially extinguishes it at a mid-morning ceremony.

This last one, put up in 1893, was one of 39,000 which once lit the streets of Philadelphia.

Most were junked as the city replaced them with electric street lamps, but a few were bought by private citizens and are still lit every night on out-of-the-way residential streets.

## Crosses Continent In 4 Hrs. 46 Minutes

LOS ANGELES (AP)—Fighting 50 m.p.h. headwinds, a jet airliner raced from New York City to Los Angeles in 4 hours 46 minutes Tuesday, breaking the commercial air record for westbound flights.

The plane, carrying a capacity load of 100 passengers and eight crew members, bettered the old record by an hour and 32 minutes. The American Airlines Boeing 707 jet flagship, piloted by Capt. Charles A. MacAtee, averaged 570 m.p.h. for the 2,469-mile transcontinental flight.

## Fifth Anniversary On 105th Birthday

LOUISVILLE, Ky. (AP) — Widower John Wesley Beard figured the best way to celebrate his first hundred years was to remarry.

Today he marked his 105th birthday—the fifth wedding anniversary.

Ice cream was the main refreshment for Beard, who said, "I was never drunk in my life and I been chewin' tobacco since I was 8."

"He'd eat half a gallon of ice cream if you don't watch him," said 74-year-old Mrs. Beard, who had been a widow.

## Skipjack Joins Submarine Fleet

GROTON, Conn. (AP) — The blimp-shaped Skipjack, with two world's records, joins the Navy atomic submarine fleet today.

The commissioning of the submarine—which plunged effortlessly to new ocean depths at record speeds last weekend—will take place on a building platform saddling the hull.

The Skipjack is a 252-foot, 2,830-ton submarine. She is the sixth atomic submarine to join the Navy.

## Offer Bills On TV Insurance Advt.

HARRISBURG (AP)—Two bills regulating insurance advertising on television were approved by the House Insurance Committee Tuesday.

One would extend to television the same restrictions on false advertising of insurance now applicable to radio stations and printed media.

The other would make it illegal to advertise insurance on television unless the advertiser has a permit to do business in Pennsylvania. This law already applies to other media.

George Kell this season will broadcast Detroit Tiger games, formerly handled by the late Mel Ott.

"All Earthly Ties"

WACO, Tex. (AP)—Hundreds of Davidians, convinced that the fullness of time has come, start gathering here Thursday to await the beginning of a Middle East war April 22 and the return of Christ.

The sect, a divorced branch of the Seventh-Day Adventist Church, has advised its members to "sever all earthly ties, if necessary," and sell property that could not be brought with them to Waco.

Most of them will live in tents being erected near here on the 94-acre tract of the national headquarters, Mt. Carmel Center, which includes the sect's offices' church and 16 houses.

Beginning Saturday the Davidians will conduct three services each day until "God's kingdom is established."

# BRITISH ACTOR MAKES DEBUT ON TV IN U.S.

By CHARLES MERCER

NEW YORK (AP) — Sir John Gielgud is making his first appearance on American television next week simply because he has always wanted to play "The Browning Version" by Terence Rattigan.

"It's a wonderful play," he said during a break in rehearsals for the "Du Pont Show of the Month" production which will be seen on CBS-TV April 23 (8 p.m., EST).

The distinguished British actor was offered the leading role when the play opened in London several years ago. He liked the play and the part then, but declined to appear in it because the one-act drama was in a double billing of two one-act plays—and he didn't care much for the other play.

## "I Guessed Wrong"

"It was one of those times when I guessed wrong," he said.

The drama that brought Sir John on a special trip to America is a play about the ordeal of an English schoolmaster who has dedicated his life to teaching indifferent boys the classics. Betrayed by his wife, depressed by his students, he finally realizes a small but enduring triumph.

Margaret Leighton plays his wife in the TV production directed by John Frankenheimer.

As far as can be recalled, this is the first time that a one act play of less than an hour has been expanded into a 90-minute TV drama. Sir John said he believed the drama had been expanded effectively by adapters Andrew Gelman and Jacqueline Bobbin.

## News Briefs

PARIS (AP) — Brigitte Bardot sported brown hair at London Airport Monday night, but her press agent said it was a wig, not a dye job.

The agent also claimed that a 35-minute smoothing session the French film star staged in the airport lounge with Jacques Charrier, costar of her new film, was only a publicity stunt.

The actress, who arrived in the British capital four days ago her usual blonde self, caught the attention of newsmen Monday night when she showed up at the airport with dark hair.

While waiting for the plane, Brigitte and Charrier cuddled, kissed and drank in the airport lounge well away from the other passengers—but within convenient reach of the press.

TOKYO (AP) — The Panchen Lama, Communist-appointed ruler of Tibet, arrived in Peiping Tuesday to attend the Red People's congress.

The 21-year-old puppet, placed on the throne after the Dalai Lama fled to India, was expected to parrot full support for Communist control of his strife-torn Himalayan land.

The Canadian comedy team of Johnny Wayne and Frank Shuster has been signed to another 12-month, 12-month contract with Ed Sullivan starting in September. Wayne says the new contract means a "substantial increase" over the \$176,000 figure for their contract this season.

Mrs. Babe Ruth will pinch hit for Harry Belafonte on "Person to Person" Friday night over CBS-TV. Ironical note: Some time ago Mrs. Ruth's appearance on the interview show had to be canceled because the landlord of her apartment house objected. Now Belafonte's landlord objects—and

ORRTANNA — The monthly meeting of the WSCS of the Mt. Carmel EUB Church was held Monday evening in the church hall with 16 members present.

Kenneth Gotwalt was a guest. The meeting opened with the hymn "Lead on O King Eternal" after which installation of the new officers took place in charge of the pastor, Rev. Gotwalt.

The business meeting was in charge of the new president, Miss Linda Carbaugh. Mrs. Dale Wetzel was leader for the worship program. She offered the opening prayer. This was followed by singing "Jesus Shall Reign." The topic for the evening was "Who Can Be Mute?" with the following taking part: Mrs. Ira Naugle, Mrs. Robert Shindladecker, Miss Linda Howe, Mrs. C. G. Crist, the leader, Mrs. Wetzel; Mrs. Robert Shindladecker and Miss Linda Carbaugh. The hymn "This Is My Father's World"

followed. Mrs. Clyde Metz was the piano accompanist. Mrs. John Gallagher read an article on Hawaiian music after which Mrs. Claire Rebert rendered an instrumental solo "Near the Cross" on the Hawaiian guitar with the group singing one verse of this hymn. An offering was taken and the closing prayer was offered by Rev. Gotwalt. Prayer partners' names were revealed at this meeting. The society also voted to continue the meetings during the summer months and for a mother-daughter banquet in May.

MOSCOW (AP) — Tass, the Soviet news agency, and the Moscow radio Tuesday carried lengthy factual accounts of the launching of the U.S. satellite, Discoverer II.

The accounts reported that the useful load of the satellite was 440 pounds and that there was a slight chance of recovering the instrument capsule.

## Wacky Bills Debated By Legislators; Some Pass

By ART SRB

Associated Press Staff Writer  
If some legislators had their way:

Blind persons could get hunting licenses.

Nudism would be outlawed.

Cigarette packages would bear skull and crossbones inscriptions.

Downtown Chicago would be a sand dune.

Bills calling for such laws were introduced in state legislatures year. Some of the odd or whimsical measures even managed to become law. A tipsy water skier will find the sport even riskier if he performs on Iowa rivers and lakes.

### Which Committee?

Why? Legislators in the Hawkeye State decided some water skiers were flying too high and passed a law making it a misdemeanor to ride skis while under the influence.

Nudism came under scrutiny in Vermont and Missouri, the Show-Me State. But Missourians were having a tough time deciding which committee should handle the bill to ban nudism. The Appropriations Committee argued it deserved the measure because it deals with figures.

Some 40 sunlovers in Vermont's lone nudist colony can continue basking in the altogether, thanks to the defeat of an anti-nudist bill.

### Licenses For Blind

Wyoming considered, then defeated, a bill which would have permitted issuance of hunting licenses to blind persons. It would have required the actual shooting be done by another licensed hunter, with the game animal going to the blind person.

South Dakota's Senate thought all cigarette packs should bear a skull and crossbones stamp. The House considered the bill — then killed it. A similar measure died in the Utah Legislature.

### Sand Dune Plan

Exasperated with attempts by Chicagoans to prevent industry from building on Indiana's Lake Michigan sand dunes, a Hoosier legislator proposed that Chicago's business district be converted into a sand dune.

The bill, which even provided for empty beer cans to give the proposed Chicago beach the proper picnic look, died in committee, almost before Chicagoans got wind of the matter.

Maine tried to straighten out the somewhat fuzzy provisions of its liquor law forbidding cocktail lounge patrons to stand and tavern customers to sit. Bills were drawn up to allow lounge patrons to arise and those in taverns to be seated.

## Emmitsburg SEEK BETTER BUS SERVICE

Better bus transportation for children attending Mother Seton School in Emmitsburg is asked in petition prepared at a recent meeting of the Mother Seton PTA in the school cafeteria. Lumen Norris is to present the petition, which asks better service for children in the Waynesboro, Taneytown and Thurmont Road areas, to a bus committee in Frederick.

The question of an Eighth Grade class trip to Washington was brought up again for discussion. Sister Francis, school principal, said that about half of the class is included in the patrol students' trip to the capital and suggested that if the entire class were to make the trip, all could visit places of educational interest.

A report was presented quoting prices of \$45 and \$60 for three or four-stop trips to Baltimore and Washington, respectively.

### Report On Affiliation

Mrs. Ruth Dillon reported on information she had gathered on affiliation with the National PTA and said that affiliation with the state association would automatically include national membership.

She also reported that the NCCW sponsors a Home and School Association for Catholic Schools that is similar to the National PTA. Further inquiries are to be made.

President Mark Lennon conducted the meeting. A film, "Reach for Tomorrow," concerning the treatment work carried out with Easter Seal Funds, was shown. Third Grade pupils entered.

Plants which make hotel ware were not affected, as they are under separate contracts.

At Wellsville, the Wellsville China Co. and Sterling China Co. continued production.

## STRIKES CLOSE POTTERIES IN THREE STATES

EAST LIVERPOOL, Ohio (AP)—Production was halted today by a strike at a dozen potteries in Ohio, West Virginia and Pennsylvania.

About 7,000 members of the International Brotherhood of Operative Potters are involved. Their strike began at midnight Tuesday when no agreement was reached on the union's demand for wage increases.

Only maintenance workers were on duty this morning. It was the first general walkout in the pottery industry since 1922, when there was a 10-week strike.

### Wage Issue

The 12 companies are members of the U. S. Potters Assn., which held a two-year contract with the union, effective until Oct. 1. However, the contract provided for a re-opening of the wage question, and it was on this issue that the strike was called.

Negotiators for the association said the companies are losing money and could not afford wage increases. They proposed mandatory arbitration, but the union declined.

Men and women appeared on the picket lines at midnight last night. From six to 12 pickets were assigned to each plant, depending on the number of entrances.

### Few Working

The Edwin M. Knowles China Co., across the Ohio River at Newell, usually employs 800, but today only a 35-man crew was engaged in drawing the last of the ware from the kilns. As soon as that task is completed the 35 will be idle. At this plant there were six pickets.

Plants which make hotel ware were not affected, as they are under separate contracts.

At Wellsville, the Wellsville China Co. and Sterling China Co. continued production.

## RULE DEATHS ACCIDENTAL

PITTSBURGH (AP)—An Allegheny County coroner's jury has ruled accidental the deaths of three persons cut down by a runaway bus which plowed into a rushhour crowd in Pittsburgh March 10.

The jury's action at an inquest Tuesday cleared a driver and a mechanic of the Brentwood Motor Coach Co. of any criminal negligence.

Driver Jay Lane, 26, testified his air brakes failed as he approached Smithfield St. on Forbes Ave. The heavy bus jumped a curb, plowed into the crowd and smashed a department store window. Fifteen other persons were injured.

A city mechanic testified that a newly installed exhaust pipe may have snapped an air brake coupling, causing the loss of pressure.

John Novak, 41, Brentwood mechanic, testified he installed the new exhaust pipe in the same position as the old one.

## Honor Couple On 49th Anniversary

Open house was held Sunday afternoon at the residence of Mr. and Mrs. Edward Rosensteel, DePaul St., Emmitsburg, in honor of their 49th wedding anniversary. The surprise party was given by their son and daughter-in-law, Mr. and Mrs. Earl Rosensteel, and granddaughter, Rosemary, of Frederick.

Guests who called during the afternoon included Mr. and Mrs. Richard O'Toole, Mr. and Mrs. William O'Toole and family, Mr. and Mrs. Leon O'Toole, Doreen, Anne, Joseph, Michael and Margaret O'Toole, Mr. and Mrs. Robert O'Toole and children, Judy and Nancy, Mr. and Mrs. Edward O'Toole, Fred Wishard and Mr. and Mrs. George O'Toole Sr., all of Waynesboro, and Mr. and Mrs. Louis Keepers, Taneytown.

The refreshment table was decorated with a large basket of carnations and snapdragons. The couple were married April 12, 1910, at Our Lady of Mt. Carmel Church, Thurmont, by the Rev. Thomas Rosensteel, Pittsburgh.

Mary O'Toole and the late John Rosensteel were witnesses at the wedding.

### GIVE PLANS FOR

(Continued From Page 1)

pipes or equipment "consumed" during the course.

Three types of instruction are to be offered: Make up or review courses for those who failed subjects or desire a refresher course; courses that a pupil desires to study but could not be fitted into class schedules during regular school term, and courses that are not offered in the regular curriculum at the present time for enrichment.

### Suggested Courses

The director of the school, Mr. Held, must be given the name of the course desired to be taken by each pupil by May 1. These courses have been suggested for the summer school curriculum but no class will be organized with less than 12 or more than 20 students with the exception of typing courses which may have more than 20: English, 9, 10, 11 or 12; English composition, Chemistry, General Science (9th grade), American History, World History, Algebra II, Plane Geometry, Civics (9th grade), first and second year Typing, Earth Science (10th, 11th or 12th grades), and Reading. Other subjects may be proposed and if enough pupils are interested, they may be included in the curriculum.

The general plans for the summer school were given school board approval in March on recommendation of the Teacher and Curriculum committee.

Information on the school has been sent to high school principals throughout the county.

## HUNTING PARK GIVES NIMROD ROOM TO HUNT

COLUMBIA, S.C. (AP)—As factories continue to spring up throughout rural America in an era of industrial expansion, the hunter without private lands of his own finds fewer and fewer places to stalk game.

One answer has been created in the private shooting preserve where you put your money on the line for the privilege of busting a bird under conditions virtually duplicating the natural element.

Thirty-eight states, including South Carolina, now legalize this type of private enterprise.

### Open For Business

Since the South Carolina Legislature acted last year, one preserve in Union County opened for business and another will this year in Pickens.

The Union layout consists of 200 acres, planted in corn, lespedeza and a variety of sorghums to provide cover and a final condemned bird's meal for pen-raised pheasants, chukars and quail.

The birds are brought up in long high enclosures and are exercised daily so that they will fly as well as their unfettered cousins in the wilds. The hunting area is stocked from the pens before each hunt.

### Pretty Sure Thing

Dogs are provided, and a gunner with half an eye can be pretty sure he'll get to shoot about as many birds as he can pay for.

The price may be off of reach of some bankrolls—a \$15.00 minimum with pheasants going at \$4.50 each, quail at \$2.50, and chukars at \$3.50 each. Flights of mallards are also brought into a small lake at \$4.50 a duck.

While the expense may be a drawback, preserve shooting has these obvious advantages.

1. A hunter can be certain that he won't return home after walking miles without seeing game.

2. A busy man can get in about as much shooting on a preserve in two hours as he is likely to see all day in the wilds.

3. Hunters have the opportunity of shooting game that is not native to their areas.

## YOUTH ADMITS KILLING PRETTY YOUNG MOTHER

FLINT, Mich. (AP) — A youth admitted to police today that he beat and stabbed to death a pretty young mother of three who had befriended him.

Genesee County Prosecutor Je-

rode F. O'Rourke said Carlson frequently visited Mrs. Dixon and her husband, Richard, 27, at their home. Dixon was at work at the Fisher body plant at the time of the slaying. The couple's children — Richard Jr. 4, Terry, 2, and Pamela, 10 months — were in the house.

Carlson lived next door to the Dixon home just outside the Flint city limits with his father Ora.

The boy went to the Dixon home to watch television after the set in his own house failed.

O'Rourke said all the boy remembered was that Mrs. Dixon walked by while he was watching television and he battered her with a pipe wrench and then stabbed her with a butcher knife.

The mutilated body of Patricia Dixon, 24, was found in a utility room of her home on the outskirts of Flint Tuesday night. She was an ambulance.

## CONFUSION ON EXEMPTIONS IN NEW TAX LAW

measure.  
The department won't answer that question right now.  
Neither will it say, for example, whether a shoe repair job would be taxable.

A spokesman says this will be decided in formal regulations after a complete study is made of the bill.

Electric power bills paid by either industry or the private individual would be subject to the 3½ per cent tax.

So would telephone bills. The only exception on the latter would be toll calls made out of the state. But calls to points within the state would be taxable.

The State Revenue Department is not saying anything about possible interpretations of this section.

The legislation imposes the tax on such services as washing, cleaning, waxing, polishing or lubricating an automobile bus on a truck.

And it seems fairly clear that a persons who supplies his own paper for a printing job would be subject to the tax for the printer's services.

### How About Haircut?

But the hazy part is what would happen when you get a haircut or a shampoo. These services are now tax-exempt and, apparently, would continue to be so under the

final area of exemptions removed by the bill applies to restaurant meals. At present, if your meal check is 50 cents or more it is subject to the sales tax.

Under the new plan, the exemption would be reduced to 11 cents. The 10-cent hot dog would continue to be exempt. But if bought a 10-cent cup of coffee with the hot dog, you would pay a one-cent tax on the 20-cent check.

## YOUTH WEEPS AT CONVICTION IN JURY TRIAL

PITTSBURGH (AP) — Jerry Pacek, physically matured far ahead of his 14 years, was convicted Tuesday night of second degree murder in the sex slaying of a 54-year-old neighbor.

The chain-smoking youth with a receding hairline turned out to be just a boy after all, slumping into a chair and weeping as the jury returned its verdict after 8½ hours deliberation.

One of the youngest defendants in Pennsylvania history, Pacek faces a maximum sentence of 10 to 20 years in prison for the bludgeoning last Nov. 17 of Mrs. Lillian Stevick on a secluded lot in nearby Brackenridge where both lived.

## Fullmer's Brother Held For Larceny

SALT LAKE CITY (AP)—Boxer Don Fullmer, 20, was charged with embezzlement and grand larceny Tuesday. He is a brother of former middleweight champion Gene Fullmer, 27.

Two other men, George Arba Holmes and Lynn Alma Holt, were arraigned on similar charges. Salt Lake County Atty. Grover A. Giles said Don Fullmer and Holmes were employees of the Salt Lake Hardware Co., a wholesale house.

Officers said the charges involve about \$1,500 worth of hardware items taken from the warehouse over a period of several months.

### POURED WHISKEY DOWN BOY'S THROAT

LOS ANGELES, Calif. (AP) — A couple was jailed on suspicion of child beating Tuesday after their 7-year-old son accused his father of pouring whisky down his throat for refusing to eat.

The youngster, James Sams, was taken to a hospital, where doctors pumped his stomach and treated bruises on his face and neck. He told police his father shook him furiously because he wouldn't eat, then forced half a pint of whisky down his throat.

James R. Sams, 40, jailed with his wife Ethel, 43, denied it and told police: "I got five kids and they all love me. Every one of 'em."

He formerly headed the education department at Millersville State Teachers College and Kent State (Ohio) University.
